This is for those of you who seem to think the word VAGINA = PORN. Just because there is the word VAGINA in my title doesn't mean you have to treat me like a haughty slut. I like puppies and Kittles, you know! I hope the word

VAGINA is not making you horny right now! I just happen to have a tingling in my VAGINA! another subject... Boobs

# I must Bitch! and

If I hear one more person talking about how good it makes them feel to be searched my ears are gonna jump off and run away! Sure, I always feel so safe and warm and fuzzy when I am looked at as suspicious and patted down and my purse confiscated and dug through by someone who doesn't know the difference between a tampon and a hand grenade!

Sometimes I don't understand what gets into the minds of my family's flock! Why they would destroy such a beautiful place that God created for them to enjoy... Oh! It just FROSTS me!

## THE ART OF TRAINING A BAD CAT!

- #1 This is the kind of thanks you can expect from your **BAD CAT** for all the love, food, treats and warmth you give her!
- #2 **BAD CAT** may look cute but it is an **EVIL TRICK**. Don't be fooled!
- #3 Kick that **BAD CAT** out of the house and no matter what **DONT LET HER BACK IN** for at least a week!
- #4 Bell the cat.
- #5 for the next few weeks only allow the cat into the comfort and warmth of the home for **SHORT, SUPERVISED VISITS**.
- #6 Eventually your **BAD CAT** will turn into an obedient pet.

P.S. During #3 if you notice your cat frothing at the mouth do not be alarmed. It is the **EVIL ENTITY** which **POSSESSED** your pet to make it the **BAD CAT**. The entity dies in this frothy manner.

My plan be this... I park my car in the backyard. The rear of the car shall be aimed at the neighbors house. At exactly 7:25 am I start the car. The exhaust shall enter their house thru the kitchen window and kill them in their sleep. It be an excellent plan!
